

Community Conversations

on Inequality

We live in the wealthiest country in the history of the world, yet most of us are struggling. Pay is stagnant, services are being cut, families are under tremendous pressures, and budgets are squeezed to the breaking point. Even though we live in the wealthiest country in the history of world, there is seemingly less for the things that strengthen people, families, and communities.

*Join us for a series of Community Conversations
about the impacts of inequality in Barre.*

WEDNESDAY • FEBRUARY 17th at 6PM
